

Too Lost in You

[Sugababes](#)

You look into my eyes, I go out of my mind
I can't see anything 'coz this love got me blind
I can't help myself, I can't break the spell I'm in over my head
You got under my skin
I got no strength at all
In the state that I'm in
And my knees are weak
And my mouth can't speak
Fell to far this time Baby I'm too lost in you
Caught in you
Lost in everything about you
So deep I can't sleep, I can't think
I just think about the things you do
I'm just too lost in you Well you whisper to me
And I shiver inside
You undo me and move me in ways undefined
And you're all I see
And you're all I need
Help me baby, help me now 'Cause I'm slippin' away
Like the sand to the tide
Flowing into your arms, falling into your eyes
If you get too near I might disappear
I might lose my mind Baby I'm too lost in you
Caught in you
Lost in everything about you
So deep I can't sleep, I can't think
I just think about the things you do
I'm just too lost in you I'm going crazy with love for you baby
I can't eat and I can't sleep
I'm going down like a stone in the sea
No-one can rescue me Baby I'm too lost in you
Caught in you
Lost in everything about you
So deep I can't sleep, I can't think
I just think about the things you do
I'm just too lost in you You look into my eyes, I go out of my mind
I'm too lost in you, I'm too lost in you
