Oh, Holy Night

Hey Monday

Oh, holy night
The stars are brightly shinin?
It is the night of our dear saviour?s birth
Long lay the world in sin and error pining
?till He appeared and the soul felt it?s worth
A thrill of hope
The weary world rejoices
For yonder breaks a new and glorious morn
Fall on your knees, oh hear the angles voices
Oh night divinve, oh night when Christ was born
Oh night divine, oh night, oh night divine

Truly He taught us to love one another
His law is love and His gospel is peace
Chains shall He break, for the slave is our brother
And in His name all opression shall cease
Sweet hymns of joy in grateful chorus raise we
With all within us praise His holy name
Fall on your knees, oh hear the angles voices
Oh night divinve, oh night when Christ was born
Oh night divinve
Oh night, oh night divine
