## **5 Years Time**

## Noah and the Whale

Oh well, in five years time we could be walking round a zoo

With the sun shining down over me and you

And there'll be love in the bodies of the elephants too

And I'll put my hand over your eyes but you'll peek throughAnd there'll be sun, sun, sun all over our bodies

And sun, sun, sun all down our necks

And there'll be sun, sun, sun all over our faces

And sun, sun, so what the heck'Cause well be laughing at all your silly little jokes

And we'll be laughing about how we used to smoke

All those stupid little cigarettes and drink stupid wine

'Cause its what we needed to have a good timeBut it was fun, fun, fun when we were drinking

It was fun, fun when we were drunk

And it was fun, fun, fun when we were laughing

It was fun, fun, oh, it was funOh well, I look at you and say it's the happiest that I've ever been

And I'll say I no longer feel I have to be James Dean

And she'd say, yeah well, I feel pretty a happy too

And I'm always pretty happy when I'm just kicking back with youAnd it'll be love, love all through our bodies

And love, love, love all through our minds

And it'll be love, love, love all over her face

And love, love, love all over mineAnd though admittedly all these moments are just in my head

I'll be thinking bout them as I'm lying in bed

And I know that admittedly it might not even come true

But in my mind I'm havin' a pretty good time with youOh, in five years time I might not know you

In five years time we might not speak

Oh, in five years time we might not get along

In five years time you might just prove me wrongOh, there'll be love, love, love wherever you go

There'll be love, love, love wherever you go

There'll be love, love, love wherever you go

There'll be love, love, love wherever you go There'll be love, love, love wherever you go

There'll be love, love, love wherever you go

There'll be love, love, love wherever you go

There'll be love, love, love wherever you go

There'll be love
