Middle Class Blues

(hÉ™d) p.e.

You make it so hard to live
So hard to live
It's a war on the middle class
I gave you everything, i got
Nothing to give
It's a war on the middle class
I'm alive, i'm so alive - just let me be
It's a war on the middle class
My blue collar - your blue blood
You're no better than me
It's a war on the middle class
It doesn't have to be like this
It wasn't supposed to belike this

Stop fuckin with me
If you push me
I'ma push you right back
You make it so hard to live...
Why you gotta be like that?
Why you gotta be like that?
Stop fuckin with me
If you push me
I'ma push you right back
You make it so hard to live...
