

My Obsession

Bread of Stone

All I have is Yours to own
All I am belongs to You alone
So let my life be an offering
To You my Lord and King

Who am I to know Your name oh Lord
I was nothing 'til You came
So let my life be an offering
To You my Lord and King
Oh to You this song I sing

CHORUS:

Lord this is my only true obsession
To let myself be in Your possession
Refine me until You find me pleasing
Lord unto You this song I sing
