

Deep In My Heart

Britney Spears

Ooh, ooh, ooh, ooh
Oh, oh, I want you for the rest of my life
Oh yeah Walking through time looking for an answer
How can it be this way
What have I done, I just cant help but wonder
How everything could change Cause youve turned my world around
Since you came along, no
After this love was found
It seems like we cant go wrong Deep in my heart I know theres only you
And right from the start I always knew
Ill never let go cause I love you so
Oh-oh, I want you for the rest of my life Some people search
What seems to be a lifetime
To find a love like this, oh yeah
And here we are
With everything weve wished for
Ive never felt such bliss Cause youve turned my world around
Since you came along
After this love was found
It seems like we cant go wrong Deep in my heart I know theres only you
And right from the start I always knew
Ill never let go cause I love you so
Oh, I want you for the rest of my life
Oh, yeah There comes a chance in everyones life
And I believe it wont happen twice
Now since I felt the glory of love
I wanna spend forever and ever with you Deep in my heart I know theres only you
And right from the start I always knew
Ill never let go cause I love you so
Oh, I want you for the rest of my life Deep in my heart I know theres only you
And right from the start I always knew
Ill never let go cause I love you so
Oh, I want you for the rest of my life Deep in my heart
Deep in my heart
I want you for the rest of my life
(I want your love forever)
I want you for the rest of my life
