From Protest to Praise

Downhere

I knew the times would come
And now the times have landed with stinging abrasion
As ready as I seem to be
It's never like I planned it yeahI'm wrestlin' my thoughts, I'm overcome
Would you give me up, I'm askin', Lord?
There's nowhere I sense Your presence here
So I will cry out until I goFrom protest to praise
You're always amazin' me
You're changin' me slow but surely
And You're gonna see me to the endHow long will I be forgotten by You forever?
'Cause You're not makin' sense here
It seems like eternity has made a home between us
YeahI'm wrestlin' my thoughts, I'm overcome
Would you give me up, I'm askin', Lord?
There's nowhere I sense Your presence here
So I will cry out until I goFrom protest to praise
You're always amazin' me
You're changing me slow but surely
And You're gonna see me to the end, to the endI'm wrestlin' my thoughts, I'm overcome
Would you give me up, I'm askin', Lord?
There's nowhere I sense Your presence here
So I will cry outFrom protest to praise
You're always amazin' me
You're changing me slow but surely
I just can't help but see it that way, 'cause you're gonna see meFrom protest to praise
You're always amazin' me
You're changing me slow but surely
And You're gonna see me to the endOh yeah
Hear me now
