Sweet Sweet

Lee DeWyze

Sweet, sweet is the sound of my feet
As they're drumming down the side of the road
They say I've got nowhere to be
But I know that I've got somewhere to go
And I am on my way
But I ain't gonna stayI feel like I'm just standing still
And the world is moving under my feet
They say I got somewhere to go
But I know that I got nowhere to be
And I am on my way
But I ain't gonna stayI will not go down like that
Even if the world stops walking back
Yeah, I will not go down like that
Because of the sweet, sweet
Sweet, sweet, yeah, oh.
Sweet, sweet, sweet, sweet, yeah, oh.But you do whatever you will
And you think nobody knows
But you did whatever you did
And only cause the bible tells you so
And I am on my way
But I ain't gonna stayI feel like something ain't right
And maybe it's only me
I'm sure that later you'll find
That everyone else can see
That I am on my way
But I ain't gonna stayI will not go down like that
Even if the world stops walking back
Yeah, I will not go down like that
Because of theSweet, sweet is the sound of my feet
As they're drumming down the side of the road
And they say I got nowhere to be
But I know that I got nowhere to go
And I am on my way
But I ain't gonna stayI will not go down like that
Even if the world stops walking back
Yeah, I will not go down like that
Because of the sweet, sweet
Sweet, sweet, yeah, oh.
Sweet, sweet, sweet, sweet, yeah.
