

# Start a War

## The National

We expected something, something better than before  
We expected something more  
Do you really think you can just put it in a safe  
Behind a painting, lock it up and leave?  
Do you really think you can just put it in a safe  
Behind a painting, lock it up and leave?  
Walk away now and youre gonna start a war  
Whatever went away, Ill get it over now  
Ill get money, Ill get funny again  
Whatever went away, Ill get it over now  
Ill get money, Ill get funny again  
Walk away now and youre gonna start a war  
We expected something, something better than before  
We expected something more  
You were always weird but I never had to hold you  
By the edges, like I do now  
We were always weird but I never had to hold you  
By the edges, like I do now  
Walk away now and youre gonna start a war  
Whatever went away, Ill get it over now  
Ill get money, Ill get funny again  
Whatever went away, Ill get it over now  
Ill get money, Ill get funny again  
Walk away now and youre gonna start a war  
Walk away now and youre gonna start a war
