

# Cemetery

## Silverchair

Need a change  
Not to imitate  
But to irritate  
All the ones who hate

I may be late  
Always seem to get the wrong date  
Well I guess it's fate

I live in a cemetery  
Full of good will and integrity  
You see I have no specialty

Here's your warning  
I'll give you click click boom

I live in a cemetery  
I need a change  
Not to imitate  
But to irritate

I live in a cemetery
