

# You Broke My Heart

William Fitzsimmons

Oooohhh  
You know that I would follow you  
To the end of the Earth  
And maybe I was gullible  
You should have known my worth  
I was waiting for the time to remind you  
We were in love  
What I gave was so incredible  
But it was never enough  
You took my love  
And broke my heart  
You took my smile  
And tore it apart  
You left me crying  
Down on the floor  
The funny thing is  
I still want more  
If only you loved me like I wanted you to  
But you tricked me into loving you  
You tore me apart  
You broke my heart  
You charmed me with your little ways  
You knew the buttons to press  
And you said I was your everything  
But boy you couldn't care less  
And you said we'd be together forever  
Now look what you've done  
What I gave was so incredible  
But it was never enough  
You took my love  
  
And broke my heart  
You took my smile  
And tore it apart  
You left me crying  
Down on the floor  
The funny thing is  
I still want more  
If only you loved me like I wanted you to

But you tricked me into loving you  
You tore me apart  
You broke my heart  
All that I needed  
was someone to hold me  
And all that I wanted  
was someone to show me  
just what it is to be loved  
And I thought that someone was you  
Oohhhh  
You took my love  
And broke my heart  
You took my smile  
And tore it apart  
You left me crying  
Down on the floor  
The funny thing is  
I still want more  
If only you loved me like I wanted you to  
But you tricked me into loving you  
You broke my heart  
You broke my heart  
You tore me apart  
you broke my heart  
You broke my heart
