(Intro)

Uh hu. I always say uh hu in the intro like
I'm agreeing to somthin' whatever fuck it,

I'm goin in.(Body)

This shit is crazy, I got nothin to lose.

Man I rememeber when we used to
have somthin to prove, but I'm on top
now looking down and lovin the view
(haha) If i jumped I'd prolly land in the
trunk of the coupe.

Ya, Canadian killer, They're waitin for
pictures but I don't do the small talk I
just came for the dinner, I'll eat a steak,

lick the plate and head straight to
the shitter, and then I'll puke inside
the sink cause i drank all the liquor
cause I'm a scumbag, asshole,

bastard child. Ask around, I was broke,
but I'm laughing now. I got my girl
countin money till she passes out,

Wake up in a plane and we land in Maui.

I'm only braggin cause i know what
it was like at the bottom, I got the rentz
now, everything i write is retarded,
all the fights i started got me feeling
like I'm a target but i still don't give a

fuck i guess i might be the problem huh?(Chorus)

I heard he bought a brand new whip with
the roof missin he be on some brand new
shit (no I didnt)

I heard he bought a brand new watch and
a grill you can see everytime he talks
(could be true)

I heard hes doin sold out show and
when he comes home i heard the
whole town goes (yeah thats true)

I heard hes got some big ass bawlz
that he drags on the ground when he
goes for a walk (its kind of annoying)(Body 2)

You can see'em fucking hanging
out my pants, now i got your baby
mama goin crazy in the stands.
I'm a time bomb tickin, I've been
patient as I can, now I'm bout to
blow the fuck up, the grenades
are going ham baby. I don't take
showers, I don't wash my hands
so you can smell im the shit
when you cross my path
(Thats right ooooh) How the
fuck do i even have friends?
I'm so dope when this album
drops youll need an asprain.
If you hate me then I'm sorry
you should eat a fat dick,
put my zipper down now there's
easy access yeah.
Fat fucker but my bellys not
complaining and this can happen
when you let a fucking lion out the
cage and now i know not givin a
fuck is sorta dope, now you
should steal this off the internet
and play it for your folks, if this
song makes you angry I consider
that a joke, I could lie and say i
care about your feelings but i don't bitch.
