Movin' Right Along

The Muppets

Movin' right along in search of good times and good news,
With good friends, you can't lose,
This could become a habit.
Opportunity knocked once, let's reach out and grab it,
Together we'll nab it.
We'll hitch-hike, bus, or yellow cab it.

Movin' right along, foot-loose and fancy free.
Gettin' there is half the fun; come share it with me.
Movin' right along (doog-a-doon, doog-a-doon)
We'll learn to share the load.
We don't need a map to keep this show on the road.

Movin' right along we found a life on the highway,
And your way is my way, so trust my navigation.
California here we come, that pie-in-the-sky land.
Palm trees and warm sand, though sadly we just left Rhode Island.

Movin' right along, hey, L.A., where've you gone?
Send someone to fetch us, we're in Saskatchewan.
Movin' right along (doog-a-doon, doog-a-doon)
You take it, you know best.
Hey, I've never seen the sun come up in the West.

Movin' right along, we're truly birds of a feather,
We're in this together, and you know where you're goin'.
Movie stars with flashy cars and life with the top down.
We're stormin' the big town.
Yeah! Storm is right, should it be snowin'?

Movin' right along, do I see signs of men?
Yeah, "welcome" on the same post that says "come back again."
Movin' right along, foot-loose and fancy free.
You're ready for the big time, is it ready for me?

Movin' right along
Movin' right along
