

All in the Mind

Holly Valance

Come On
Baby I'm red
I'm green
Purple and Orange
I'm the myth you've never seen
I'm the one in your dream
I can be what you want me to be
I can be your every fantasy
It doesn't Matter what you want
'Cause baby it's only make believe Scarlet, daydream
It's a red hot sex scene
I got what you want, so take your best shot
Take you away, I will never stop this
Massive explosion, magic emotion
Colours so bright, it could turn you blind
Flying fantasy, it's all in the mind I'm very proud to arouse
My loyal believer's
I'm a naughty girl
A bitch from hell
Come join in my game
I can dance where you want me to dance
i can sing your every fantasy
It doesn't matter what i sing
'Cause baby it's only make believe Scarlet, daydream
It's a red hot sex scene
I got what you want, so take your best shot
Take you away, I will never stop this
Massive explosion, magic emotion
Colours so bright, it could turn you blind
Flying fantasy, it's all in the mind Scarlet, daydream
It's a red hot sex scene
I got what you want, so take your best shot
Take you away, I will never stop this
Massive explosion, magic emotion
Colours so bright, it could turn you blind
Flying fantasy, it's all in the mind
