Annie Mae

The Twilight Singers

Annie Mae, Annie Mae
Seems I've gone and lost my way
As situations go, I think that I can safely say
I'm lost, baby, find me
I'm lost, baby, find me
I wonder where you wereAnnie Mae, Annie Mae
Another bed I've found to stay
Another bed I've found to wrap my evil head around
I'm lost, baby, find me
I'm lost, baby, find me
And tell me where you wereGod, you look fine, Annie?
Have you got a line, Annie?
I've lost my mind Annie
But the sun is shining high todayI slipped though time, Annie
Don'tcha drop dime, Annie
I see it in your eyes, Annie
When the sun went back behind the cloudsYou used to be mine, Annie
Alone in twilight, Annie
Alone in twilight, Annie
In between the day and the nightGod, you look fine, Annie?
Have you got a line, Annie?
I've lost my mind Annie
But the sun is shining high todayI slipped though time, Annie
Don'tcha drop dime, Annie
I see it in your eyes, Annie
The sun went back behind the cloudsYou used to be mine, Annie
Alone in twilight, Annie
Alone in twilight, Annie
In between the day and the night
