

# Guys Do It All The Time

Mindy McCready

Got in this morning at four a.m.  
You're as mad as you can be  
I was drinking and talking and you know how that goes  
Time just slipped away from me  
By the time I knew what time it was  
It was too late to call home  
Stop carrying on acting like a child  
I wasn't doing anything wrong  
Guys do it all the time  
And you expect us to understand  
When the shoe's on the other foot  
You know that's when it hits the fan  
Get over it, honey, life's a two way street  
Or you won't be a man of mine  
So I had some beers with the girls last night  
Guys do it all the time  
I know I left my clothes all over the place  
And I took your twenty bucks  
No I didn't get the front yard cut  
Because I had to wash my truck  
Will you bring me a cold one, baby  
Turn on the TV  
We'll talk about this later  
There's a ball game I want to see  
Guys do it all the time  
And you expect us to understand  
When the shoe's on the other foot  
You know that's when it hits the fan  
Get over it, honey, life's a two way street  
Or you won't be a man of mine  
So I had some beers with the girls last night  
Guys do it all the time  
You look like you just took a long look in the mirror  
Tell me baby if things don't look a whole lot clearer  
Get over it, honey, life's a two way street  
Or you won't be a man of mine  
So I had some beers with the girls last night  
Guys do it all the time  
Yeah, guys do it  
All the time, all the time  
Yeah, guys do it  
Yeah, guys do it  
All the time
