

# Give Your Heart a Break

## Anthem Lights

The day I first met you  
You told me you'd never fall in love  
But now that I get you  
I know fear is what it really was  
Now here we are, so close yet so far  
Haven't I passed the test  
When will you realize baby, I'm not like the rest  
Don't wanna break your heart wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live and there's no time to wait  
So let me give your heart a break  
Give your heart a break let me give your heart a break  
Your heart a break oh, yeah  
On Sunday, you went home alone  
There were tears in your eyes  
I called your cell phone, my love  
But you did not reply the world is ours  
if you want it we can take it  
if you just take my hand there's no turning back now  
Baby, don't you understand  
Don't wanna break your heart wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live and there's no time to wait  
to waste so let me give your heart a break  
Give your heart a break Let me give your heart a break  
Your heart a break there's just so much you can take  
Give your heart a break let me give your heart a break  
Your heart a break oh, yeah yeah  
When your hand is in my hand  
And our hearts beat as one  
But you slip out of my fingertips  
Every time you run, whoa  
Don't wanna break your heart wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live and there's no time to wait  
to waste So let me give your heart  
Cuz you've been hurt before I can see it in your eyes  
You try to smile it away some things, you can't disguise

Don't wanna break your heart baby, I can ease the ache  
The ache so, let me give your heart a break  
Give your heart a break let me give your heart a break  
Your heart a break there's just so much you can take  
Give your heart a break let me give your heart a break  
Your heart a break oh yeah, yeah
