Matchbox 20

She said, I don't know if I've ever been good enough
I'm a little bit rusty, and I think my head is caving in
And I don't know if I've ever really been loved
By the hand thats touched me, well I feel like something gonna give
And I'm a little bit angry, wellThis ain't over, no not here, not while I still need you around
You don't owe me, we might change
Yeah, we just might feel goodI wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted
I wanna take you for granted
Yeah, yeah I will, I willShe said I don't know why you ever would lie to me
Like I'm a little untrusting when I think that the truth is gonna hurt ya
And I don't why you couldn't just stay with me
You couldn't stand to be near me
When my face don't seem to want to shine 'cause it's a little bit dirty
WellDon't just stand there, say nice things to me
I've been cheated, Ive been wronged, and you
You don't know me, well I can't change
Well I wont do anything at allI wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted
Yeah, I wanna take you for granted
Yeah, yeah I willOh, but don't bowl me over
Just wait a minute well it kinda fell apart, things get so crazy, crazy
Don't rush this baby, don't rush this baby, babyI wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted
Yeah, yeah, yeah, I wanna take you, take you
Yeah, yeah I will, I will, I will, I will, I will, I will yeah, I willI wanna push you around, you down
I wanna push you around, well I will
