Devil's Child

Judas Priest

Hypnotize me, mesmerize me
Feel my willpower slip
Light my fire with cold desire
Losing all my gripEat my diamonds
Drinking all my gin
Feast your eyes on
A whole lotta sinOh no, you're so dang wickedYou got me by the throat
Oh no, gotcha claws stuck in me
You never let me goI believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's childTook my dreams and now it's seems
You're nothing but a liar
Smash and grab at all I had
Build my funeral pyreStop pretendin'
Got me growin' old
Your tormentin' is
Fit to snap my soulOh no, you're so damned wicked
You got me by the throat
Oh no, gotcha claws stuck in me
You never let me goI believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's childYou took my heart and left it blown to smithereens
I gave my body as a slave
You cut my flesh and drank my blood that poured in streams
I'm left here broken and ashamedGoin' under, hear the thunder
Death defying grace
Your condition breeds ammunition
Shoots me in the faceVicious talkin'
Stabs me like a knife
Scratched and bruised, so abused
I'm a human sacrificeOh no, you're so damned wicked
You got me by the throat
Oh no, you gotcha claws stuck in me
You never let me goI believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's childI believe you're the devil

I believe you're the devil's child
I believe you're the devil
I believe you're the devil's childI believe you're the devil
I believe you're the devil's child
I believe you're the devil
I believe you're the devil's child
I can't stand any any anymore
