

# Think Outside the Boy

Lauren Alaina

Sweet sixteen's a beautiful thing for the small town hopes  
And big city dreams  
Your diary's filled with getaway plans then he sweeps in  
And just like that  
You're rewriting your story for him  
All your wishes are gone away through wind  
Well if you think that he's all that there is Think outside the boy  
Look right past his charm  
He's not your definition  
No, he ain't who you are  
If you don't love yourself  
He sure ain't gonna help  
There's so much more to life than living like his wind-up toy  
Think outside the boy, ooh  
Think outside the boy Well I've been there, yeah  
I believed that he was my forever  
He was all I'd ever need  
But I gave up what I wanted  
And I gave him control  
I lost myself in a deep, dark hole  
I'm here to tell you that it's never too late  
To cut the strings and to take back your fate  
You'll find yourself again along the way Just think outside the boy  
Look right past his charm  
He's not your definition  
No, he ain't who you are  
If you don't love yourself  
You sure ain't gonna help  
There's so much more to life than living like his wind-up toy Oh, when the right boy comes along  
He won't make you choose  
When the right one comes along  
He'll love that you think outside the boy  
Oh, think outside the boy If you don't love yourself  
He sure ain't gonna help  
There's so much more to life than living like his wind-up toy  
Think outside the boy, ooh  
Think outside the boy
