

Don't Talk Just Kiss

Right Said Fred

Kiss, kiss, kiss, kissAah, surrender me a kiss
Let me loose on you inch by inch
The one and only reason is fun, fun, fun
I said, "Well baby, we've only just begun"Don't talk just kiss
We're beyond words and sound
Don't talk just kiss
Let your tongue fool around
Let's fool aroundOoh yeah, there's people, there's love
You and I both apply to the above
The one and only reason is fun, fun, fun
I said, "Well baby, we've only just begun"So don't talk just kiss
We're beyond words and sound
Don't talk just kiss
Let your tongue fool aroundHuh, we're wastin' precious time
Don't talk kiss ah, make it mine
The one and only reason is fun, fun, fun
I said, "Well baby, we've only just begun"So don't talk just kiss
We're beyond words and sound
Don't talk just kiss
Let your tongue fool aroundCome on, come on, come on, come on
Fool around
Come on, come on, come on, come on
Fool around
Come on, come on, come on, come on
Fool around
Surrender your love to meSo don't talk just kiss
We're beyond words and sound
Don't talk just kiss
Let your tongue fool aroundDon't talk just kiss
We're beyond words and sound
Don't talk just kiss
Let your tongue fool aroundLet's fool around, what d'you say?
Let's fool around, what d'you say?
Let's fool around, what d'you say?
Let's fool around, what d'you say?What d'you say? Let's fool around
C'mon, let's fool around
C'mon, let's fool aroundCome on, come on, come on, come on fool around
Let's fool around
Come on, come on, come on, come on fool around

Let's fool around
Come on, come on, come on, come on fool around
Let's fool around
...
