

# Wake Up!

## Dub Elements

You put your cleanest dirty shirt on  
Then you stagger down to meet the dawn  
You take a ride upon a bus, it's just a fuss  
    You know it keeps you born  
    You get to know a morning face  
    You get to join the human race  
You get to know the world has passed you by  
    Who cares? You might be dead  
    Who cares? You stayed in bed  
    Who cares? You wrote the note  
    Who cares? You might have spoke  
Wake up, wake up, wake up, wake up, wake up  
Wake up, wake up, wake up, wake up, wake up  
    Wake up, wake up, wake up, wake up  
    You take a snack to fill the gap  
And then you're ready for another shift  
    Your attention was diverted  
    By the girl who smiled and made the lift  
    The radio is blaring out  
    It's in one ear and then it's out  
You didn't notice that the record's over  
    Who cares? You might be dead  
    Who cares? You stayed in bed  
    Who cares? You wrote the note  
    Who cares? You might have spoke  
Wake up, wake up, wake up, wake up, wake up  
Wake up, wake up, wake up, wake up, wake up  
Wake up, wake up, wake up, wake up, wake up  
    In the road a crowd had gathered  
    And a man was close to dead  
The blood is running down the gutter  
While you're yawning, nothing's said  
    His body's wriggling like an eel  
They got no sense, no touch, no feel  
Somebody better go and get a blanket  
    Who cares? You might be dead  
    Who cares? You stayed in bed  
    Who cares? You wrote the note  
    Who cares? You might have spoke

Wake up, wake up, wake up, wake up, wake up  
Wake up, wake up, wake up, wake up, wake up

Wake up, wake up, wake up, who cares?

Wake up

Wake up

Wake up
