Jealous Evil

Sebadoh

Strong evil, sanest feeling gone
Tried in vain
Normal evil, commonplace for good
Forever, ever wasted
I deal the torture for feeling never real
It's an easy cut for him to deal
Never say a word or hurt him now so he'll know
Coolest term, the phrase Ã¢??Never EvilÃ¢??
Normal, good and easy-minded
Wasted as I try to find a jealous evil
I'm not jealous, I'm not in love with myself
I'm not next to some saint, it's just not good for your health
I'm not jealous, I'm not in love with myself
I'm not wrapped up in myself
