## When I Look In Your Eyes

## **Outkast**

Hey Uh huh Well, alright How y'all doing? Yes ma'am! Lookin' mighty fine I've been around the world Seen so many pretty girls But I still get overwhelmed When I look in your eyes Been from Maine to Spain But everything seems the same I only feel a change When I look in your eyes I know you're upper class I know you've got pizzazz Every man wanna kiss yo', uh And I do, too! Sometimes, I'm just a clown And everybody puts me down I guess I'll come around When I look in your eyes

Tell me, what's a man to do To get close to you I'm just a lonely fool When I look in your eyes Don't tell me "no" this time If you do, it'll blow my mind Have you ever seen a grown man cry? It's an awful thang I guess it's time to say goodbye But I've gotta give it one more try I'm only satisfied When I look in your eyes Oh please come home with me Oh don't you wanna marry me? I'm even gonna rub your feet when they stank How can I let you down? I guess I'm always gon' be around

I'm simply astounded When I look in your eyes
