Don't Fade IV

Mudhoney

(zzzzzz
Zzzzzz
Zzzzzz
Zzzzzz
Zzzzzz
Zzzzzz
Zzzzzz
Zzzzzz)My dreams are turned to rust
Leaving nothing, and nothing is enough
Today
TodaySo broken up, way down inside
Too hurt to try to hide
Away
AwayI had that dream again last night
That I woke up to everything all right
Dream
Don't fade away
Dream
Don't fade into another shitty dayOut my window it only gets worse
In my mirror it's getting worse
Look awayI had that dream again last night
That I woke up to everything all right
Dream
Don't fade away
Dream
Don't fade into another shitty dayI have this dream every night
The same dream again and again
I dream I'm awake
And everything
Is all rightDream
Don't fade away
Dream
Don't fade away
Dream
