When You Were Mine

Megan & Liz

I could tell you what you wore on that first date
We talked for hours and we stayed up too late
For a hundred days we were amazing
Didn't need nothing more
As our minds were changing, lights were fading
Nothing left to fight for

Can we take the time to say what I like?
Can we fight the way, back to yesterday?
Can we hit rewind back to a better time?
When you were mi-i-i-i-ine
When you were mine

We were in love, yeah I thought you were the one
I always hoped that you were my home run
For a hundred days we, we were crazy
Never loved like this before
As our lives were changing, hearts were breaking
It's not worth it anymore

Can we take the time to say what I like?
Can we fight the way, back to yesterday?
Can we hit rewind back to a better time? (a better time, better time)
When you were mi-i-i-i-ine (when you were mine)
When you were mi-i-i-i-ine

When you were falling over me, everything came easily
Never fought for your attention
Then I was looking left and right in the corners of my mind
When you were mine

Can we take the time to say what I like?
Can we fight the way, back to yesterday?
Can we hit rewind back to a better time? (when you were mine, when you were mine)

Can we take the time to say what I like?
Can we fight the way, back to yesterday?
Can we hit rewind back to a better time? (a better time)

When you were mi-i-i-i-ine (when you were mine, a better time)

When you were mi-i-i-i-ine (when you were mine, a better time)
When you were mi-i-i-i-ine (when you were mine, a better time)
When you were mi-i-i-i-ine (a better time)
When you were mi-i-i-i-ine (a better time)
When you were mi-i-i-i-ine (a better time)
When you were
