The Valley (Instrumental)

Ellie Holcomb

I don't want to face this valley
I don't want to walk alone
You say that you'll leave to find me
Well I'm begging You not to comeDon't think I can face this morning
Heaviness is on my chest
You say that You'll lift this burden
Well I"m begging You to bring me restCome and find me in the darkest night of my soul
In the shadow of the valley
I am dying for You to make me whole
For You to make me wholeI can't keep myself from sinking
From drowning down in all of this shame
My throat is worn out from calling for help
And I'm praying that You'll remember my nameI know I can't fight this battle
Been surrounded on every side
You say that You will deliver me
Well I am praying that You'll restore my lifeCome and find me in the darkest night of my soul
In the shadow of the valley
I am dying for You to make me whole
For You to make me wholeAnswer me out of the goodness of Your love
In Your mercy, turn to me
I know it's You that I've been running from
But I'm seeing it's You I need, need
You're all I needSo come and find me in the darkest night of my soul
In the shadow of the valley
I am dying for You to make me
Come and find me in the darkest night of my soul
In the shadow of the valley
I am dying for You to make me whole
For You to make me whole
For You to make me whole
