

# Hello Young Lovers

Stevie Wonder

Oh yeah, hey whoever you are I want you to listen to my story  
Yeah, yeah, yeah my story, while I tell youHello young lovers, whoever you are  
I hope your troubles are few  
All of my good wishes go with you tonight  
Yeah, I've been in love like youAll the brave young lovers, young lovers and follow your star  
Be brave, be faithful and true  
You've got to cling to each other very close tonight  
I've been in love like youI've had a love of my own  
I've had a love of my ownI know how it feels to have wings on your heels  
And fly down the street in a trance  
You fly down the street on a chance that you'll meet  
And you'll meet not really by chanceDon't cry young lovers, young lovers, yeah  
I've had a love of my own  
Be brave young lovers
