

Broken Hearted Me

England Dan & John Ford Coley

Every now and then I cry
Every night you keep stayin' on my mind
All my friends say I'll survive
It just takes timeBut I don't think time is gonna heal this broken heart
No I don't see how it can if it's broken all apart
A million miracles could never stop the pain
Or put all the pieces together again
No I don't think time is gonna heal this broken heart
No I don't see how it can while we are still apart
And when you hear this song
I hope that you will see
That time won't heal a broken-hearted meEvery day is just the same
Playin' games, different lovers, different names
They keep sayin' I'll survive
It just takes timeBut I don't think time is gonna heal this broken heart
No I don't see how it can if it's broken all apart
A million miracles could never stop the pain
Or put all the pieces together again
No I don't think time is gonna heal this broken heart
No I don't see how it can while we are still apart
And when you hear this song
I hope that you will see
That time won't heal a broken-hearted me
