I Think We're Alone Now

Girls Aloud

Children behave

That's what they say when we're together

And watch how you play

They don't understandAnd so we're running just as fast as we can

Holdin' onto one another's hand

Tryin' to get away into the night

And then you put your arms around me

And we tumble to the ground and then you sayI think we're alone now

There doesn't seem to be anyone around

I think we're alone now

The beating of our hearts is the only soundLook at the way

We gotta hide what we're doin'

'Cause what would they say

If they ever knewAnd so we're running just as fast as we can

Holdin' onto one another's hand

Tryin' to get away into the night

And then you put your arms around me

And we tumble to the ground and then you sayI think we're alone now

There doesn't seem to be anyone around

I think we're alone now

The beating of our hearts is the only soundI think we're alone now

(Alone now)

There doesn't seem to be anyone around

I think we're alone now

(Alone now)

The beating of our hearts is the only soundI think we're alone now

(Alone now)

There doesn't seem to be anyone around

I think we're alone now

(Alone now)

The beating of our hearts is the only sound
