

Paralyzed (ROCAsound Mix)

Rock Kills Kid

This feels like another dream
Trapped underneath my own routines
I tried to lift it off of me, I give up
I give up, I just sit and bleed I'm paralyzed, I'm paralyzed
I'm stuck in the middle and I'm paralyzed Arms and legs in between
Caught inside a stupid dream
Look for her but cannot see, I give up
I give up, there's no time to believe I'm paralyzed, I'm paralyzed
Stuck in the middle and I'm paralyzed
I'm paralyzed, I'm paralyzed
The only way to cope is to realize This feels like another dream
Everyone grabbed a hold of me
Pulled from every side of me, I give up
I give up, there's nothing left of me Arms and legs in between
Caught inside a stupid dream
Look for her but cannot see, I give up
I give up, there's no time to believe I'm paralyzed, I'm paralyzed
Stuck in the middle and I'm paralyzed
I'm paralyzed, I'm paralyzed
The only way to cope is to realize I'm paralyzed
I'm paralyzed I'm paralyzed, I'm paralyzed
Stuck in the middle and I'm paralyzed
I'm paralyzed, I'm paralyzed
The only way to cope is to realize I'm paralyzed
Stuck in the middle and I'm paralyzed
I'm paralyzed
The only way to cope is to realize
