

# See Me Through (Remastered)

[Eric Lindell](#)

Darlin', wherever I go  
You know whatever I do  
And girl, wherever I go  
Know I'm thinkin' of you That it's true, that I do  
Your love is gonna see me through Girl, whenever I'm down  
You know whenever I'm blue  
Wherever I'm alone  
Girl, you carry me though Oh, you do and that's true  
Your love is gonna see me through  
Your love is gonna see me through Darlin', wherever I go  
You know whatever I do  
Wherever I go  
Know I'm thinkin' of you Oh, you know it's true that I do  
Your love is gonna see me through  
Your love is gonna see me through  
Your love is gonna see me through
