Once Or Twice

Chicago

Oh girl
I looked you over once or twice
I think that you are very nice
And you're just meant for meOh girl
I think you got a messed up mind
But if you will take the time
Baby I can set you freeWell I'm not trying to be
What I am not
But I think what you need
Is what I gotGirl I'm no philosopher
But I can offer you that cure
To mend your broken heart
I know that you are not blind
I know you see my messed up mind
I bet you see my broken heart tooSo won't you
Bring your heart and your mind
That's out on the run
Fuse them with my broken heart
In my mind
We'll be oneGirl I looked you over once or twice
I think that you are very nice
And you're just meant for meGirl I think you got a messed up mind
Now that you know yours is just like mine
Baby, won't you set me free
