

Make My Heart Go

Gloria Estefan

Tonight, I know
Exactly what you want from me
So come on, get close
Here is where you wanna be You wanna have a good time
Let's hit the floor and do it right
We can do it all night Mis noches sern tuyas
Haremos mil locuras
Apaguemos la luna You make my heart go
You make my heart go
You make my heart go
You make my heart go Mi amor is yours
As long as you don't let me go
What I feel, right or wrong
True love would never run You wanna have a good time
Let's hit the floor and do it right
We can do it all night Mis noches sern tuyas
Haremos mil locuras
Apaguemos la luna You make my heart go
You make my heart go
You make my heart go
You make my heart go Te voy a involucrar, te voy a besar
Te voy a comer, vamos a volar
A mi me dirs que bueno tu ests
Yo a ti te dir, t no sabes na' Ya se que tu no te intimidas
Que conmigo t te va' toda
Seguro que no te imaginas
Que esta noche el tipo te enamora Acurrucaditos, vamo' a hacerlo fcil
I'm down, you're down, t me tienes rpido mami
Acurrucaditos, vamo' a hacerlo fcil
I'm down, you're down, t me tienes rpido mami You make my heart go
You make my heart go
You make my heart go
You make my heart go
