Lock And Load

(hed) P.e.

Six, six, six, six
Yeah, yeah, yeah
Let's go, yeah, I like it, I like it
Come on, woo
Let's go, let's waste some time
Let's jump in the Chevy, let's ride
Shorty your place or mine
You be Bonnie, I'll be Clyde
Little mamma, I'm a show you how we do
Little mamma, I'm a get inside of you
So hot, I'll show you where it's at
So cool I got your back, come on
I pledge allegiance to lock and load
And to the republic, I sell my soul
Like Bonnie and Clyde, let's take their ride
Tomorrow we die, tonight let's waste some time
Pretty mamma, let's waste some time
Yeah, mamma, let's waste some time
Yeah, you know it's on
I'm all fucked up I'm a time bomb
Motherfucker better treat me right
Or I'll fuck you up it ain't nothing nice
I hate that, I'll take that
Little punk rock chick I'll break that
You come with me and we'll make it back
To the top and the cops and the feds can't stop us
I pledge allegiance to lock and load
And to the republic, I sell my soul
Like Bonnie and Clyde, let's take their ride
Tomorrow we die, tonight lets waste some time
Pretty, mamma, let's waste some time
Yeah, mamma, let's waste some time
