

As The Crow Flies

Joe Bonamassa

As the crow flies baby
And i ain't so far from you
As the crow flies baby
And i ain't so far from you
Well i don't have wings
And i can't get home like i want to
In a dream last night
Well i heard you call my name
In a dream last night
Well i heard you call my name

Well i took it as an omen
And i jumped on that next train
Oh whoa
Well you don't know baby
How i miss your sweet caress
Well you don't know baby
How i miss your sweet caress
When i'm in your lovin' arms
And i swear i'm at my very best
As the crow flies baby
