

Seven Wonders (Remastered)

Fleetwood Mac

So long ago
Certain place
Certain time
You touched my hand
All the way
All the way down to Emmiline
But if our paths never cross
Well you know I'm sorry but
If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again
The rainbow's end So it's hard to find
Someone with that kind of intensity
You touched my hand I played it cool
And you reached out your hand for me
But if our paths never cross
Well you know I'm sorry but
If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again
The rainbow's end So long ago
It's a certain time
It's a certain place
You touched my hand and you smiled
All the way back you held out your hand
If I hope and I pray
Ooh it might work out someday
If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again If I live to see the seven wonders
I'll make a path to the rainbow's end
I'll never live to match the beauty again
