Click Those Heels (CG Club Mix)

Bylli Crayone

(Verse 1)

Gonna make you feel like there's no tomorrow
Pushing and sighing, ahh swallow
Give it all you got, too hot to stop
You on the bottom me on the top
More than physical its a sweet love thing
You can ride my carnival anytime, anyplace
Knock two times if you just wanna feel
and to go any further yo, Click Those Heels

(Chorus) X2

Click Those Heels Dorothy
Click Those Heels Dorothy
Click Those Heels Dorothy
You aint in Kansas anymore

Somewhere over the rainbow
Thats where, you and I will be

(Verse 2)

Unlike the scarecrow yo I got brains
and like the tin man I feel no pain
Cuz I'm as hard as hard as steel
I keep it going yeah, I'm for real
Lookin for attention and boy do I get it
When the people see me, they dont forget it
Lookin kinda wild dressed in club kidd style
You can see me coming within a half a mile
I am the original, the one, the unique
For first time viewers I'm considered a freak
but I dont really care, dont give a damn,
Names Crayones yeah thats who i am

(Chorus)
