Lay It On the Line

Triumph

It's the same old story all over again
You turn a lover into just another friend
I want to love you, I want to make you mine
Won't you lay it on the line?I'm tired of playing all your foolish games
I'm tired of all of your lies making me insane
I don't ask for much, the truth'll do just fine
Won't' you lay it on the lineLay it on the line
Lay it on the line
Lay it on the line
Don't waste my timeYou got no right to make me wait
We better talk, girl, before it gets too late
I never thought you could be so unkind
Won't you lay it on the lineLay it on the line
Lay it on the line
Lay it on the line
Don't waste my timeYou know I love you, you know it's true
It's up to you, girl, what've I got to do
Don't hold me up, girl, don't waste my precious time
Won't you lay it on the lineLay it on the line
Lay it on the line
