I'f it wasn't for Shaggy my shirt would still be baggy, I wouldn't be fat I'd still be hungrey and craby, we use to buy our own records at the stores, so they would think it was a hot seller, and order more but we built a team of killers with the same dream we couldn't reach the top we stayed B level like Charlie sheen. Finally relized we'll always have the juggalos, I'l never give another second to them other hoes.
