

# Winter'S Poem

## Leaves' Eyes

One million crystals on the outside of my window  
One single thought, a thought of missing you  
But only one word from within me  
Describes the thought without of youIce feathers on my window  
Reveal a single thought  
A painting of your eyes is a sign that you do knowOne million crystals not enough to page your beauty  
Beauty of your soul  
300 days I counted  
Almost a year, a mere of missing youIce feathers on my window  
Reveal a single thought  
A painting of your eyes is a sign that you do knowOnce again waters change  
Winter spell comes to life againIce feathers on my window  
Reveal a single thought  
A painting of your eyes is a sign that you do knowIce crystals on my window  
Hide frozen life inside  
Ice storm outside these walls  
But I feel my heart is warm
