

# Little Sister (Acoustic Version)

Dwight Yoakam

Little sister don't you, little sister don't you  
Little sister don't you kiss me once or twice  
Tell me that it's nice and then you run  
Yeah, yeah, little sister don't do what your big sister done  
You know I dated your big sister  
Oh, I took her to the show  
Hey I went for some candy  
Along came Jim Dandy  
And they slipped right out the door  
Little sister don't you, little sister don't you  
Little sister don't you kiss me once or twice  
Tell me that it's nice and then you run  
Yeah, little sister don't do what your big sister done, hup, hup, hup, hup  
I used to pull down on your pigtaails  
Hey girl, and pinch your turned up nose  
Oh, but baby you been growin'  
And lately it's been showin'  
From your head down to your toes  
Little sister don't you, little sister don't you  
Little sister don't you kiss me once or twice  
Tell me that it's nice and then you run  
Yeah, little sister don't do what your big sister done, hup, hup, hup  
oh get on  
Every time I see your sister  
Lord, she's with somebody new  
Aw, she's mean and she's evil  
Like a little ol' boll weevil  
Think I'll try my luck with you  
Little sister don't you, little sister don't you  
Little sister don't you kiss me once or twice  
Tell me that it's nice and then you run  
Hey, little sister don't you do what your big sister done  
Well, little sister don't you do what your big sister done  
Aw, little sister don't you do what your big sister done
