Lost In The World

Kanye West

I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time
I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time
I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time...

I'm lost in the World, I'm down on my mind
I'm new in the city, and I'm down for the night
Down for the night
Said she's down for the night...

I'm lost in the world, I'm down on my mind
I'm new in the city, and I'm down for the night
Down for the night
Down for the night...

(Kanye West)
Your my Devil, Your my Angel
Your my Heaven, Your my Hell
Your my Now, Your my Forever
Your my Freedom, Your my Jail
Your my Lies, Your my Truth
Your my War, Your my Truce
Your my Questions, Your my Proof
Your my Stress and your my Masseuse
Mama-say mama-say ma-ma-coo-sah
Lost in this Plastic life,
Lets Break out of this fake ass Party
Turn this in to a Classic Night
If we die in each others arms
We still get laid in our Afterlife
If we die in each others arms we still get laid, yeah...

I'm up in the woods... Run from the lights
I'm down on my mind... Run for your life
I'm new in the city... Down for the night
Down for the night
Down for the night...

I'm lost in the world, I'm down on my mind
I'm new in the city, and I'm down for the night
Down for the night
Down for the night...

Who will survive in America
Who will survive in America
Who will survive in America...

I'm lost in the world, I'm down on my mind
I'm new in the city, and I'm down for the night
Down for the night

I'm lost in the world, I'm down on my mind
I'm new in the city, and I'm down for the night
Down for the night
Down for the night...
