

Lonely

2NE1

The words I'm saying right now,
I don't know if they'll hurt you
They'll probably make you hate me forever
You, saying that I'm not the same as I used to be
is not completely untrue
This changed me is a stranger to myself as well

You are so kind but that's the way you are but oh
I don't know, I don't know
Why I am like this
Where were so in love, and you're here now but oh
I don't know I want to find myself now

Baby I'm sorry, even when I'm with you, I'm lonely
I must be lacking when it comes to love
please forgive this person horrible person I am
I'm sorry, this is your and my story
I must be worthy of this thing called love,
even thought I'm by your side

Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely
Eh Eh

You didn't do anything wrong, I'm the strange one
It seems I've already been prepared long ago, for our break up
I really wanted to treat you well, out of all the times,
why is it when I'm confronted by love
I am shrinking away and am lonely endlessly

You are so kind that's the way you are but oh
I don't know, I don't know
Why I am like this
We were so in love, and you're here now but oh
I don't know
I find to myself

Baby I'm sorry, even when I'm with you, I'm Lonely

I must be lacking when it comes to love
please forgive this person horrible person I am
I'm sorry, this is your and my story
I must be worthy of this thing called love,
even though I'm by your side

Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely

Cuz I'm just another girl
This night is lonely, I can't take any more, Good bye
Cuz I'm just another girl
I'm so lonely even though I'm by your side right now

Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely
Baby I'm so lonely lonely lonely lonely lonely

Eh Eh
