

# The Dream Time Machine (feat. Empire of the Sun)

WZRD

It's like a dream to me  
All the things that I see  
Oh ho ho it starts from something small  
Yeah I am the man now  
It's like a dream to me  
All the things that I see  
Oh ho ho it starts from something small  
Yeah I am the man now See (yeah)  
All of the things they said could not be  
Complete (yeah)  
So in control of who I want to be  
Yeah Whoa Whoa Times have changed now  
I've changed, a good difference  
More champagne now  
What I'm seeing for the world I wouldn't miss it It's like a dream to me  
All the things that I see  
Oh ho ho it starts from something small  
Yeah I am the man now  
It's like a dream to me (it's like a dream to me)  
All the things that I see (all the things that I see)  
Oh ho ho it starts from something small (start from something small)  
Yeah I am the man now Go (yeah)  
Far beyond the mind hopes to go  
Fly (yeah)  
You got places to be, can't let the time speed by Times have changed now  
I'm strong, a good difference  
More champagne now  
What I'm seeing for the world I wouldn't miss it It's like a dream to me  
All the things that I see  
Oh ho ho it starts from something small  
Yeah I am the man now  
It's like a dream to me (it's like a dream to me)  
All the things that I see (all the things that I see)  
Oh ho ho it starts from something small (start from something small)  
Yeah I am the man now
