

# Alone (Heart Cover) (feat. Kimberly Goss)

## Warmen

I hear the ticking of the clock  
I'm lying here, the room's pitch dark  
I wonder where you are tonight  
No answer on the telephone  
And the night goes by so very slow  
Oh, I hope that it won't end though  
Alone Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone  
How do I get you alone You don't know how long I have wanted  
To touch your lips and hold you tight  
Oh, you don't know how long I have waited  
And I was going to tell you tonight  
But the secret is still my own  
And my love for you is still unknown  
Alone Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone  
How do I get you alone  
Alone...
