Feeling Alright

Michael Johns

Hey Carolina here's your song
Girl forgive me that it took so long
Caramel eyes and your Venus lips
You, you make me tremble to my fingertipsYou walk like a princess, you talk like a bird
You, you got me hangin' on your every word
Here it comesYou got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alrightYou got me feeling right
You've got me feeling alright
You make me feel so right
Tonight I gotta say, hey, heyYou sip your wine from a silver spoon
Making time in the afternoon
Your strawberry cheeks and your alabaster skin
You feel so right girl, you make me wanna sinYour teeth just like a little flock of sheep
Your legs go all the way down to your feet
Yeah, hey, heyYou got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alrightYou got me feeling right
You've got me feeling alright
You make me feel so right
Tonight I gotta say, hey, heyYour breath's like wine, you got me feeling so fine
Your breath's like wine, you got me feeling so fine
Your breath's like wine, you got me feeling so fine
I'm feeling, I'm feeling, you've got me screaming, hey, heyYou got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alrightYou got me feeling right
You've got me feeling alright
You got me feeling right
You've got me feeling alrightYou've got me feeling alright
You've got me feeling alright
You've got me feeling alrightYou know you make me wanna
Oh, I gotta say it
You make me feel so right
Tonight I gotta say, hey, hey
