Come And Get It

Ac/dc

Pickin' up the sleeze in my car
Hell no distance too far
??? down the road in the night
Don't just call me, I'll bite [don't you scold me, I'll bite]
These are the finer things in life
don't think you live in paradise
I get my filly wrapped in red
Upon my double decker bed
if you want it
come and get it
come and get it
if you want it
come and get it
come and get it
if you want it
come and get it
come and get it
if you want it
come and get it
suckin up the juice in the bar
downin' lonely shooters so far
checkin out the girls, what a sight
if you're gonna blow me, do it right
these are the finer things in life
don't think you live in paradise
I get my fillie wrapped in red
Upon my double decker bed
if you want it
come and get it
come and get it
if you want it

come and get it
come and get it
if you want it
come and get it
come and get it
if you want it
come and get it

come and get it
yeah
come and get it
(come and get it)
(yeah)
said if you want it
come and get it
if you want it
come and get it
yeah
come and get it
if you want it
come and get it
come and get it
if you want it
come and get it
come and get it
I said if you want it
come and get it
if you want it
come and get it
if you want it
if you want it
if you want it
come and get it
come and get it right here
