

# Good Booze and Bad Women

## Humble Pie

Straight on up, you know I'm gonna do it right  
I wanna stroke ya, choke ya, whisk you up and roll all night  
I'm a weekend dreamer, don't hesitate and that's fun  
To do it to the man with me, never need to worry. Yes I'm a weekend dreamer, got 24 hours to get rich, get rich  
I'm having shorties with the roadies while the group is knocked out with turn tails  
Tonight I'm a rambler, see I'm a Ted, that's right  
Do it to the man with me, never fails to work, never fails to work. I'm gonna swing my hat and Sunday look  
around for girls  
To get myself together, have to face that Monday morning's work, alright  
I'm a weekend dreamer on the way to work feel real bad  
Do it to the man with me never fails to  
No not to be till Monday need ya, never failing  
You do to the man, baby, never fails to work.
