

# Tell Me It's Okay (self-titled demo)

## Paramore

[Verse 1]

Maybe its been years since I genuinely smiled  
Maybe its been years since I wanted to be a part of anything  
But lately I've been good you know I've actually been great  
Man, I even laughed a little today, aw so strange, you're so strange[Chorus]

Tell me its okay to be happy now, because I'm happy now  
Tell me its okay to be happy now, because I'm happy now

Tell me its okay(x4)[Verse 2]

Thought it as my right to be as sorry as I wanted to be  
I wasted all my teenage years being a misery factory  
But something had to give, I had to finally see the light  
I think at 23 its time to practice what I preach

And what I preach is:[Chorus][Bridge]

All my wasted hope, I let go when I should've held tighter  
And now the sun out, I let it burn not afraid of feeling shine

On meTell me it's okay (x8)[Chorus-Variation]

Tell me its okay to be happy now, because I'm happy now  
Tell me its okay to be happy now, my life is finally leveling out, so  
Tell me its okay to be happy now, because I'm happy now  
Tell me its okay to be happy now, my life is finally leveling out, so  
Tell me its okay(x4)
